Assisted Living

– Fees and Services

Assisted Living

We know each resident is an individual with unique needs and preferences. Our Assisted Living Program is run by an experienced Nurse Manager and a team of personal aides who provide you the care you need in your own apartment. The level of care that is right for you will be determined by an in-person Nurse evaluation.

See reverse side for floor plans

Studio

Independent Living

– Fees and Services

Our Independent Living apartments come in a variety of floor plans. Our apartments have been recently modernized and have individually controlled heat and air conditioning. If more help is needed down the line, we understand. There is no need to move to different part of our building.

See reverse side for floor plans

Studio From \$3690

Standard 1 Bed From \$4920

Second person fee starting at \$2022 per month

Large 1 Bed From \$5235

Second person fee starting at \$2022 per month

Community Fee: \$4,000

A one-time non-refundable fee that supports the administrative costs of moving into our community, as well as a variety of activities and programs.

Included in the Monthly Fee

- Wifi in the apartment and throughout the building
- Two meals a day, breakfast and your choice of lunch or dinner.
(Three meals a day are available for an additional fee)
- Weekly housekeeping services
- All utilities, except phone
- Satellite television
- Parking for residents and guests
- On-site staff 24/7/365
- Daily activities
- Daily exercise instruction
- Transportation

Application Process

Prospective residents will be asked to complete an application including financial information and a medical evaluation.

A personal interview with facility staff assures that each resident is comfortable in our community and that we can provide the appropriate services to meet each individual's needs.

**See Amenities Sheet for services offered to all residents*
